

Global Seed Savers
8th Annual Nourish Event
Filipino Brunch

“For the true measure of agriculture is not the sophistication of its equipment, the size of its income or even the statistics of its productivity but the good health of the land.”

- Wendell Berry

Join us to celebrate the work of Global Seed Savers. An international non-profit organization supporting small-holder farmers in creating local food security and fostering a healthy environment through technical training and the establishment of community-owned and operated seed libraries.

This year has been one full of growth, new program development, new partnerships, and incredible impact! We will spend the day celebrating the unique and vi-brant culture of the Philippines and learning about Global Seed Savers programs supporting organic agriculture and food security throughout the Philippines.

Our 8th Annual Nourish Event will feature delicious Filipino cuisine prepared by The Orange Crunch Catering, slam poetry performance by Filipino Artist Meta Sarameinto, a keynote address from our Philippines Country Manger, and an exciting silent auction. Don't miss our largest event of the year!

Proceeds from this event will support Global Seed Savers small-holder farmer education and training programs. Through these programs our farmers gain the skills and knowledge they need to propagate, store, save, and sell their own regionally adapted organic seeds. This empowers farmers to be self-sufficient and ensures that organic seeds are more readily available throughout the Philippines.

Details -

The event will be held on Saturday, October 20th from 11:00am to 2:00pm at the Posner Center for International Development, located at 1031 33rd Street, Denver CO 80205.

This is a family friendly event kids of all ages are welcome to attend. Children under the age of 5 attend for free and all other children can attend with the student ticket price.

Tickets -

Pre-sale: \$50
